DJ travels and tours organize the trips of Laya beach, wadduwa, Hotel siddhalepa, Beach resort,wadduwa and many more. DJ Travels and Tours intends to offer completely enjoyable, comfortable and informative travel excursions that ensures tourists are thoroughly satisfied and appreciative at the end of the trip. In summary we intended to achieve following objectives.

1. Manage all the travel requirements of the companies while providing ease and convenience to the customers.
2. Continuously provide enjoyable trips according to the budget and time.
3. Develop well satisfied customers all the time.

Client requirements

Currently DJ Travels has a manual information system. Therefore an automated system needs to be implemented.

The specific requirements can be stated as follows.

- Financial system (Book keeping)
- Online booking management system

- Vehicle fleet management system

In addition, considering the heavy market competition, the client also requires a website to be developed which allows online transactions and database access to online bookings.
